Thank you all for helping me with the Crandall-Dyer books. This is from my Mothers line of Dyer. Much of it was done and good so left it way it was. So all my addresses and e-mail will be wrong.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Thank you all for helping me with the Grants.
Over books. This is from my Mother's line to David.
Much of it was done and good so I left it as it was.
So all my addresses and e-mail will be wrong.

I started doing genealogy in 1995 and all my grandparents were gone and all their members of their family could not help from elsewhere. I worked at the church house and library and sometimes found that I could.

I with others spent many hours at the 4th Ward, 12th Library, 2nd City Library, Madison, WI Library and many others of Columbia, MO Library last about every year from when I started. There was a lot of work to do every day every week in the good weather but now one has moved, one has passed and the other can't get out any longer and we are to go by your side. He decided it was time to stop. This was before the internet so I didn't have that to rely on and was just as well as I have found a lot of things on the internet. I can't say where all the effort. As much of it was not able to be proven for sure so just had to go by what I could find. But if anyone has proof of what you find it would be a great help. I would be happy to know it. We know every one is not taking it right so we are perfect, even in research. New Date: 10/11/01

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now as I think to find them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't a sure thing as to the places where your ancestors walked together.

You will notice different addresses that the one above is correct.

MAD STONE SAVES THE LIFE OF LOWAL RAGON

During the summer of 1921, my father, Lowal Ragon, (1901-1968) was bitten by a dog that was rabid. My father and mother, Beulah Crandall, had just been married that spring and were living with my mother's parents, the late Rev. and Mrs. Ott Crandall. My grandfather was a preacher and a farmer. He lived one mile north and $\frac{1}{2}$ mile east of Hunt City, Jasper County, Illinois.

One summer day, my grandfather was putting up hay. My father and several other men were helping when a medium-sized dog came into the area and attacked my father and an 18 year old Chapman boy.

My grandfather had heard of Mr. and Mrs. George Haddock living in Bellair, Crawford County, having a Mad Stone used for the treatment of rabies. He sent my parents to the Haddocks for treatment of the rabies. They packed clothing to last for several days and made the trip by horse and buggy.

Mother said that when they arrived, Mrs. Haddock placed the stone directly on the wound. The stone looked like a bar of Lava soap that was about $\frac{3}{4}$ used. The stone stuck to the wound and slowly turned green. After a while, the stone fell off. It was then boiled in fresh cows' milk. When the stone was boiled, the green substance would come out of the stone and into the milk.

Mr. Haddock had dug a deep post hole and after the stone was boiled he would pour the milk into the hole. The treatment was repeated until the stone would not adhere to the wound. Mother said that the treatment took several days and the stone stuck to the wound 12 or 13 times. My mother would watch over my father at night and Mrs. Haddock looked after him during the day.

The Chapman boy was not treated and died about 30 days after the attack.

The cost of the treatment was \$15.00. Mrs. Haddock said the stone was a growth from the stomach of a deer, but was not found in all deer.

The Haddock's have a granddaughter, Eva Price, living with her husband at 813 N. 4th Street, Carmi, Illinois. When I contacted her she said that she remembered her grandparents talking about my father and that he was the last or next to the last to be treated.

I have related this incident as my mother remembered it. It was at the request of Mrs. Inis Bussard who felt that such an interesting and important incident should not be lost to our Crawford County History.

My mother is living and resides at R.R. #2, Toledo, Illinois, 12 miles south of Mattoon, Illinois on Illinois Route 121.

Lowell Ragon was the husband of Beulah Crandall Ragon - daughter of Otto Crandall grand daughter of Jane + Sylvester Crandall. Lowell is dead now but Beulah still lives in Toledo Area. Thought you'd enjoy a copy of it. Mrs. Bussard is a librarian in Robinson +

one day I was in the library & we were visiting & she told me she was doing history on Crawford Co. Doctor. She mentioned a Dr. Hughes of Annapolis who said his father had a sled stone. I mentioned that Dr. Hughes married my great Aunt for a second wife. Lowell Ragon's daughter was working for Mrs. Buzzard in the library & she had been a former student of mine & a good little friend & relative. She went home & told her daddy & this story came about. John's brother (10 yrs older than John) remembers Mrs. Haddock & her "cures".

*Nov 2012 located info on Enus ragon from the Find A Grave Site which listed birth and death dates and places. Son of simon L. ragon and Amanda M. Knight. He md Beulah Dale Crandall 10 Apr 1921 Jasper co. IL. Father of 3 children. (copy)

Sources for Lowal: Info from son Duyane Ragon Sep 1976. Lowal was a farmer and contractor and was sheriff for 4 years. Duyane sent a story about his father being bitten by a rabid dog in 1921. I believe this story warrants a place here.

Mad Stone Saves The LIfe Of Lowal Ragon

During the summer of 1921, my father Lowal Ragon, (1901-1968) was bitten by a dog that was rabid. My father and mother, Beulah Crandall, had just been married that spring and were living with my mother's parents, the late Rev. and Mrs. Ott Crandall. My grandfather was a preacher and a farmer. He lived one mile north and 1/2 mile east of Hunt City, Jasper County, Illinois.

One summer day, my grandfather was putting up hay. My father and several other men were helping when a medium-sized dog came into the area and attacked my father and an 18 year old Chapman boy.

My grandfatehr had heard of Mr and Mrs George Haddock living in Bellair, Crawford County, having a Mad Stone used for the treatment of rabies. He sent my parents to the Haddocks for treatment of the rabies. They packed clothing to last for several days and made the trip by horse and buggy.

Mother said that when they arrived, Mrs Haddock placed the stone directly on the wound. The stone looked like a bar of Lava soap that was about 3/4 used. The stone stuck to the wound and slowly turned green. After a while, the stone fell off. It was then boiled in fresh cows' milk. When the stone was boiled, the green substance would come out of the stone and into the milk.

Mr Haddock had dug a deep post hole and after the stone was boiled he would pour the milk into the hole. The treatment was repeated until the stone would not adhere to the wound. Mother said that the tretment took several days and the stone stuck to the wound 12 or 13 times. My mother would watch over my father at night and Mrs Haddock looked after him during the day.

The Chapman boy was not treated and died about 30 days after the attack.

The cost of the treatment was \$15.00. Mrs Haddock said the stone was a growth from the stomach of a deer, but was not found in all deer.

The Haddock's have a granddaughter, Eva Price, living with her husband at 813 N.4th Street, Carmi, Illinois. When I contacted her she said that she remembered her grandparents talking about my father and that he was the last or next to the last to be treated.

I have related this incident as my mother remembered it. It was at the request of Mrs Inis Bussard who felt that such an interesting and important incident should not be lost to our Crawford County History.

My mother is living and resides at 4.4. #2, Toledo, Illinois, 12 miles south of Mattoon, Illinois on Illinois Route 121.

Lois Ragon had had breast cancer & did not survive it. I went for visitation & saw Duzane's sister Donna & part of her family. Also saw the Aunt Avis who lived in Missouri but is with Donna in Toledo at this time. Rose had been away for several days but got home late Wed. eve. & was able to go to the funeral on Thurs. I had no one to care for John, so didn't try to go to the funeral. Rose talked with Paul for, as well as the other folks.

WHEN I AM GONE

To those I have loved and to those who loved me
When I am gone, release me, let me go.
I have so many things to see and do,
You must not tie yourself to me with tears.
Be happy that we had so many years.
I gave you my love and you can only guess,
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I travel on alone.
So grieve a while for me if grieve you must.
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart,
I won't be far away for life goes on,
So if you need me, call and I will come.
Though you can't see or touch me I'll be near,
All of my love around you soft and clear.
And then when you must come this way alone,
I'll greet you with a smile and welcome you home.

In Loving Memory

Burl Icle Ives

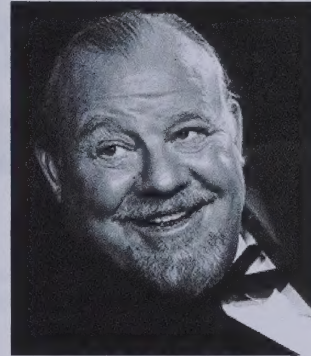

Original name: Burl Ivanhoe

[Memorial](#) [Photos](#) [Flowers](#)

[Share](#) [Edit](#)

Birth: Jun. 14, 1909
 Death: Apr. 14, 1995

Actor, Folk Singer, Author. Over the course of a long and diverse show business career, this imposing 300 pound singer appeared in some 30 movies, a dozen Broadway productions and recorded over 100 albums while making countless radio and television appearances. He was born Burl Icle Ivanhoe in rural Jasper County, Illinois near the town of Hunt, one of seven children, his father a farmer. He was a singer from an early age learning his first tunes from his doting grandmother who had him singing in the local Baptist church by age four. In high school, Burl became a proficient banjo player while athletically active as a fullback on the school team with aspirations toward a career as a coach. He enrolled at Eastern Illinois State Teacher's College only to drop out after a couple of years. With jobs scarce, as the great depression had engulfed the country, he simply went on a "bum," wandering the country, hitchhiking rides, doing odd jobs and using his musical talent as a busker (street singing for money). Stock company performances led him to New York City in 1937, a year later he made his Broadway debut in "The Boys from Syracuse" while singing in Greenwich Village clubs. By 1940, he was a radio personality with his own show on CBS, "The Wayfarin' Stranger." He made a 1946 movie debut in "Smoky" followed by many others... "East of Eden" "Cat on a Hot Tin Roof" "The Big Country" (Oscar winner best supporting actor) "Rocket to the Moon" and television movies... "Poor Little Rich Girl" "The New Adventures of Heidi" "The Man Who Wanted to Live Forever" and "Pinocchio." His albums and recordings were his main avenue to fame... He had many LP releases but his specialty were albums, most notable... Coronation Concert, The Wild Side of Life, Men, Down to the Sea in Ships, In the Quiet of the Night, Burl Ives Sings for Fun, Songs of Ireland, Old Time Varieties, Australian Folk Songs and Cheers. Some Top Ten Singles... "Blue Tail Fly" "Big Rock Candy Mountain" "A Little Bitty Tear" "Call Me Mr In-Between" "Funny Way of Laughing" and "On Top of Old Smokey." However, he also had a notable television career with many appearances... "Dolly" "Little House on the Prairie" "Andy Williams Show" "The Dinah Shore Chevy Show" "Toast of the Town" a few barely scratching the surface. At age 70, he quietly disappeared and retired to Washington State but remained active in music by participating in benefit performances. He was a many times contributor to fund raisers... Indian reservations, Boy Scouts, environmental groups, art foundations and children's medicine. He died from cancer at age 85 in his home at Anacortes, the Seattle, Puget Sound area of Washington. Cremated, the Masons provided

his final tribute. Burl Ives was involved in Freemasonry from his youth, becoming a DeMolay in 1927. A memorial service was held at the Scottish Rite Cathedral in Los Angeles. The Ashes were taken to Newton, Jasper County, Illinois and the urn was interred beside his mother with the Masons and the Baptist minister from his boyhood church conducting the final committal. Legacy... He won a Grammy Award for Best County Western Recording for his song "It's Just My Funny Way of Laughin." Burl Ives did many shows as a voice actor, but the animated 1964 television special "Rudolph the Red Nosed Reindeer" where he was the narrator as "Sam the Snowman" has become an annual Christmas time classic. His first book appeared in 1948, "Wayfaring" an autobiography followed by "A Treasury of American folk songs & ballads," a sing-along book. He has a star on the Hollywood Blvd Walk of Fame. The Burl Ives Bridge located on Highway 130 in Jasper County, Illinois became his namesake and has an accompanying plaque erected by the Illinois Department of Transportation honoring the famous folk singer. A 33rd Degree Mason, the organization honored him with induction into the DeMolay Hall of Fame in 1994 after having received the DeMolay Legion of Honor in 1986. (bio by: [Donald Greyfield](#))

Info from Florence Mar 1974 and she has continually kept me up to date on the Crandall family from there. My mother and I have visited in their home several times and have corresponded many years. The live at Rte 2 Oblong, IL. They celebrated their 50th wedding anniversary with a reception and family dinner in Marshall on April 6, 1985. I just noticed, they were married 3 days before I was born. They took a 10 day trip to 5 islands in Hawaii to celebrate.

Florence was a teacher in Robinson, IL for many years until she retired in 1974. John has farmed and they have lived on the same farm for many years in the Bellair area, since they were married.

They had traveled since her retirement. They went to Spokane, WA to the Worlds Fair on the Amtrack in Aug 1974 then went to Seattle, Vancouver and across to Canada on the Canadian national Railroad to Winnipeg to Grand Forks, ND on the Greyhound bus then took Amtrack back to Chicago and home.

Another trip was 8 days to Hawaii from Dec 7, 1974 to Dec 15, 1974. They toured 4 islands and then in 1984 they went back to Hawaii with her brother and his wife.

They went to New Orleans Jan 1975 and onto Florida on another trip, and since then they have done a lot of traveling as well. Have started to slow down the last few years.

They still farm some and are very active in the church at Bellair. They are very instrumental in keeping the Crandall reunion going every year as well. Since I have met them and went to a couple of their reunions they now call it the Crandall-Dyer Reunion and several from other family lines of Dyer's have come to the reunions. Florence has sent me most of the newspaper write-ups of their reunions, have missed a couple years. My mother and I had went to a couple of them and then we moved to Texas for 11 years but now am back and hopefully can go another year. I have been working on the Crandall family and would like to get their book together with all update info sometime after next year.

They celebrated their 60th wedding anniversary in 1995 and their 63rd in 1998 before John's death 22 June 1998.

They have had Dyer-Crandall family reunions for many years but this year (1998) they didn't as several weren't able to go and they have been having fewer every year as many of the older ones have been deceased and it is hard to get the younger ones to go to reunions. Florence always sent me a copy of the reunion from the newspaper so I could keep up with their families as well.

Florence will stay on the family farm as long as she is able.

1999- Florence still doing very well and keeping up with family. She lost her brother Fred this past year though.

After 1999 a few years she was moved to a care facility as was starting to lose her memory, not sure the date but was early in the 2000's.

Mar 2007 received a notice from her daughter that Florence had died 4 Mar 2007 and sent me copy of the obituary and from funeral home. Also sent along as sheet that had a pic of the old Crandall homestead in Moonshine where she was born and raised then along with that sent 3 recipes that were her favorite. One for Old fashioned Sugar cookies, one for Tea Time Tassies (which today are sm like cupcakes with pecan filling) and other frosting for Angel

Update 2018

They started the Crandall Reunion every year from way back many years and has been going continually till 1974 when I met Florence Crandall Adkisson thru the DAR info on the Dyers.

I had completed a book on them for Florence and that year they changed the reunions to the Dyer Crandall Reunion. My Mother and I went a few times to the reunions and got to know this side of my mothers family, which she didn't know either. Gladys LaVon Lowe Treadway and

Mrs Rovene Melvina (Dyer) Lowe Schurr. Mother died in 2012 at age 96. Florence died 2007 at age 97.

Florence's line goes back to Elizabeth Dyer Crandall who was a sister to my mothers Gr Grandfather Charles Hillory Dyer both born in Corydon area, Harrison Co. IN. Elizabeth went to ILL and my line went to Missouri.

Keeping me updated on the family. Last letter was 2017 and was still going and doing all the time. She will be 100 on 11 Oct 2019. Still lives in Casey, IL. She is living in Casey and doing taxes every season, she said this year for 28 years. She was 87 this year. Xmas card from Rose 2008 certainly showed she has had a busy year, still doing taxes and visiting Chicago people and others in several different places so she does get around. One of the few that seem to have so many friends and relatives that all seem to get together all the time. Very nice. Very nice long letter from Rose just after Xmas and I had sent her one also. She is still working at age of 95 but says

Notes	CHILD 4 - Rose Geraldine Crandall (Continued) she is going to quite now and retire.. She has traveled a lot this year as seems to do every year. Can't walk but goes in wheel chair but manages to get where she wants to go. Amazing she is in good health at 95. 2014. 2015 received a nice long letter about her life during the past and what she had done in 2015 which was a lot. She seems in good health for her age and going and doing all kind of things everywhere. With family and others. She finally quit working after on payroll for 26 years by hand and had done 8 yrs writing income taxes by hand for H&R Block in 1980 and so had had 36 yrs of work after moving to IL just before her huband died. The Dyer DNA must be working for her as she doesn't look her age at all.

Emily was 12 when she first came to Illinois.

Her first home was a log house which stood about

2 mile south of the home she was to have later after

she married. Enroute to Illinois the family stopped in

Indiana to see Mother Jane. The father and boys came on

to get the house ready, Emily and Hattie came later.

The SIU-C study was designed to evaluate the effect of commercial preservatives on high moisture hay and corn stalkage stored in 1,500 pound stacks or 1,000 pound round bales. Alternative stacks were treated with a preservative (Silo-King) and all stacks were placed together for storage and temperature analysis. The preservative was applied to the cornstalks at approximately 250 grams per ton. Treatment with the preservative reduced the amount of water present in stalks at time of feeding and significantly reduced the

IN
REMEMBRANCE

The Twenty-Third Psalm

The Lord is my Shepherd: I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.

He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.

Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me: thy rod and
thy staff they comfort me.

Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil:
my cup runneth over.

Surely goodness and mercy shall follow
me all the days of my life: and I will
dwell in the house of the Lord for ever.

Dear Gladys - I wish this death notice was just a death notice, but it was a tragic one. Emily took everything out of her refrigerator, climbed in & shut the door. Joan found her about 12 hours later. Suffocated. She had tied a string to the outside handle & then took the string inside with her.

She had not been able to work for a year. She had had her teeth pulled down at Barnes Hospital. in April. She seemed real well when she came home. but gradually seemed to lose ground, altho she was up & going. We had had a party we went to, an all day sale & then on Sunday had dinner & supper together and she seemed her old self. There have been times in the past we were fearful.

but not this time. She was
not out of the house on
Thurs. or Friday & no doubt
did this in the early morn.
on Sat. There hasn't been a
carrion's inquest as yet
to tell us the time.

Over 500 people went through
the funeral home for visitation
over thirty bouquets of flowers &
gifts of money. Food to feed
70 people at Rose's after the
services. The whole town
of Martinsville was in shock (front)

As the word spread through the
town on Sat. & Sun Morn
There has been such an out pouring
of love & concern. Wise people
who have lots of faith & well
survive. Because of the
manner of death some
of our insurance
won't pay but
we'll manage.
Just you are all
getting along all right.
Remember us
in your prayers.
Love, Florence

Dear Gladys. In the back of
my mind I kept thinking
I should have some clippings
of reunions missing in
your book. I have found
clippings of 1991 + 1989 and am
enclosing them. Use whatever
you like best. I have others.
However 1985 has not surfaced
yet. I'll keep looking.

On page 71 I wish you would
end the part about Emily
where you "quote" Received
a letter from Florence who told
of the tragic death of Emily, by
her own hand. Emily had
been in poor health and
not been able to work for
a year but it was such
a shock to everyone - (end)

The reason is Emily's ^{oldest} grandson
has had a terrible time as has

Let your my second. Cut out removed
not work. He is in trouble for a few days
again

my sister Rose to Emily's death &
I fear they would be very
distressed to have more than
this said in print.

It happened on a Sat. - The
Coroner was called ~~and came~~
at once - No police was involved
no reporter etc - no pictures -

The coroner altho not a close
friend to any of us. did not
release any news & nothing
ever reached the newspapers.

The undertaker was a close
friend & gave out only death
notices even tho no one asked
either to do it this way. We
fully expected it to show up
in print but it never did.
So we'd appreciate your handling
it the same way.

We never tried to keep it from
anyone but we felt it was a
miracle it didn't get publicity.
Our friends & hers & all the neighbors
were so supportive. Loved your picture. You're
all so good looking & you are

Love. Florence
still so very beautiful

Last Saturday's win at Cumberland makes our Little Illini Conference record 4-0 and makes this week's game with Marshall the most important game so far this year. Martinsville fans were in hopes of a Casey victory over Marshall last Friday night and the Warriors almost did it. The final score was 14 to 15.

Last Saturday's game wasn't one of the most exciting games of the season. The Bluestreaks

penalized for 100 yards. That could be very costly in the game coming up. The Bluestreaks must play a better ball game to beat Marshall this Friday night.

Tony Higginbotham once again played an outstanding game, rushing for 173 yards on that Saturday afternoon bringing his total rushing yardage to 889.

Our passing game was poor due

north.

Marshall will be our final test for the Conference Championship. This game should also be the toughest for the Bluestreaks and for Marshall because it is a must game for both teams. The Bluestreaks should win this game but they will have to play a hard hitting, mistake free game to retain the Little Illini Conference Championship this Friday night.

Let's all get out and back the Bluestreaks to victory. See you at the game!

Bluestreaks will face

Behind the five touchdowns of Tony and Randy Higginbotham, the Martinsville Bluestreaks ruined Cumberland's homecoming 50-6 Saturday afternoon.

The win was the fourth in a row and the sixth of the season against one loss.

The Bluestreaks amassed 330 yards on the ground. Tony Higginbotham dashed for 173 yards in 13 carries and quarterback Roy Rice picked up 56 yards in seven tries. Randy Higginbotham rushed nine times for 47 yards. Tony Higginbotham scored on a 56-yard run in the second quarter, a 32-yard jaunt in the third period and an 18-yard sprint in the final. Higginbotham has gained a total of 889 yards for the season and scored 13 touchdowns.

Randy Higginbotham also got into the act with a 21-yard TD run for Martinsville's first score in the opening quarter and a 1-yard plunge in the third period. Rice picked up one of the other two touchdowns on a 12-yard run in the first quarter. Vince Scott also scored on an 11 yard run. Paul Cribelar added two points with a safety.

Leading tackler was Robert Ryan with 8 and Cribelar close behind with

Listed 4 siblings and one child. (copy)

He was one of the nicest men I have met and I have met quite a few but I think he bested them all- Gladys Lowe Treadway.

Info from John and Florence. John was born in Licking Twp. near Bellair. He has lived close to their all his life. He has farmed all his married life. He belongs to the Church of Christ church in Bellair.

They celebrated their 60th wedding anniversary in 1995.

John's health isn't good but getting along okay, Florence says he has alzheimers but able to be home.

He was in an auto accident with his daughter and grandson and was brusied pretty bad and had two broken ribs and gash on his right arm and was in the hospital for a while but home now. This was the week of 4-10 June.

1996- John is doing as well as can be with alzheimers and still by end of 1997 Florence is still taking care of him at home. At this point he doesn't know anything, just is existing from day to day.

Florence sent me copy of his obituary probably from local paper. Also a picture was with the obit. "John Adkisson--- John W. Adkisson, 89, Bellair, died about 3 a.m. Monday, June 22, 1998 at his residence after an extended illness.--- Born Jan 2, 1909 in Licking Twp, Crawford Co., he was the son of Harmon Adkisson and Maggie (Payne) Adkisson. He was a farmer. He was a member of Bellair Church of Christ. He was baptized on Nov. 3, 1926 and granduated from Oblong Township High School in 1929. He was a member of the first Soil and Water conservation Service Committee in Crawford County. In 1940 he worked as a community representative to bring electricity to rural areas. he served on the board of directors for Norris Electric Cooperative for 46 years and was supervisor of Licking Township for eight years. He served as chairman for the re-organization of schools in Crawford County and was a member of Crawford County Farm Bureau. He also helped maintain the Bellair Community Center and served as a Deacon and Sunday school teacher for several years.--- On April 6, 1935, he married Florence Crandall, who survives. Also surviving are a daughter and son in law, Linda and Greg Parrott, rural Robinson; three grandchildren, Mrs Tom (Roseellen) Osborn, Terre Haute, Ind, Mrs Matt (Amber) Kramme, Champaign and Johnathan Parrott, rural Robinson; a sister and brother in law, Fannie and Virgil Griffith, Greenup; a sister in law, Vera Adkisson, Tuscola; nephews, Earl Adkisson, Atwood, and Jerry Adkisson, Tuscola; nieces, Carolyn Ripley, Robinson, Joan Hills, Martinsville and in-laws, Paul and Rose Penrod, and Fred and Faith Crandall, Casey.--- Preceding him in death were his parents; a brother, Homer Adkisson; two sisters, Allie Price and Ruby Bline; a niece, Mary Willis and nephew, Cleon Geffs.--- The funeral is 10 a.m. Thursday, June 25, at Pulliam Funeral Home, Oblong, with Bro. James Rue officiating. Burial is in Casey- Cumberland Cemetery, Casey. Visitation is from 4-7 p.m. Wednesday and until time of service Thursday." Added: Memorials may be made to the Bellair community Center or your choice of charity.

Funeral home announcement listed casket bearers: Lowell Livingston, James Livingston, Randall Weck, James Williams, Eugene Cramer, Paul Geffs and John Hall.

Florence also wrote a couple paragraphs relating to his death. "Early this morning, John passed away at our home in Bellair after a 4 year struggle with Alzheimers. He had been bedfast for 5 months in a hospital bed in our living room. We had visiting nurses who came to our home every day and provided both John and I with excellent care. Our Doctor was very supportive and cooperated with us in every way. I became very weary but our neighbors, friends and family helped me in every way they could, and I knew I was never alone in my efforts to keep John at home and as comfortable as possible. Greg and Linda were here with me when he took his last shallow breath.. For a week we had been more vigilant as he could not swallow food or water, so we were resigned to what had to be.--- This was a time for which John had prepared. He loved the Lord and had given freely of his time and energy to his church in Bellair and the surrounding community. We were so blessed to be married 63 years and live on our family farm. Even though we had one daughter, we have had a wonderful son-in-law and 3 delightful grandchildren.---When we think of John we remember so many things. He had a wonderful sense of humor and was pleasant and agreeable on a daily basis. I'm sure you have some special memory of your own about him. Florence"

Florence is going to stay on the family farm for as long as she can for now and see what happens.

Info from Florence Mar 1974 and she has continually kept me up to date on the Crandall family from there. My mother and I have visited in their home several times and have corresponded many years. The live at Rte 2 Oblong, IL. They celebrated their 50th wedding anniversary with a reception and family dinner in Marshall on April 6, 1985. I just noticed, they were married 3 days before I was born. They took a 10 day trip to 5 islands in Hawaii to celebrate.

Florence was a teacher in Robinson, IL for many years until she retired in 1974. John has farmed and they have lived on the same farm for many years in the Bellair area, since they were married.

They had traveled since her retirement. They went to Spokane, WA to the Worlds Fair on the Amtrack in Aug 1974 then went to Seattle, Vancouver and across to Canada on the Canadian national Railroad to Winnipeg to Grand Forks, ND on the Greyhound bus then took Amtrack back to Chicago and home.

Another trip was 8 days to Hawaii from Dec 7, 1974 to Dec 15, 1974. They toured 4 islands and then in 1984 they went back to Hawaii with her brother and his wife.

They went to New Orleans Jan 1975 and onto Florida on another trip, and since then they have done a lot of traveling as well. Have started to slow down the last few years.

They still farm some and are very active in the church at Bellair. They are very instrumental in keeping the Crandall reunion going every year as well. Since I have met them and went to a couple of their reunions they now call it the Crandall-Dyer Reunion and several from other family lines of Dyer's have come to the reunions. Florence has sent me most of the newspaper write-ups of their reunions, have missed a couple years. My mother and I had went to a couple of them and then we moved to Texas for 11 years but now am back and hopefully can go another year. I have been working on the Crandall family and would like to get their book together with all update info sometime after next year.

They celebrated their 60th wedding anniversary in 1995 and their 63rd in 1998 before John's death 22 June 1998.

They have had Dyer-Crandall family reunions for many years but this year (1998) they didn't as several weren't able to go and they have been having fewer every year as many of the older ones have been deceased and it is hard to get the younger ones to go to reunions. Florence always sent me a copy of the reunion from the newspaper so I could keep up with their families as well.

Florence will stay on the family farm as long as she is able.

1999- Florence still doing very well and keeping up with family. She lost her brother Fred this past year though.

After 1999 a few years she was moved to a care facility as was starting to lose her memory, not sure the date but was early in the 2000's.

Mar 2007 received a notice from her daughter that Florence had died 4 Mar 2007 and sent me copy of the obituary and from funeral home. Also sent along as sheet that had a pic of the old Crandall homestead in Moonshine where she was born and raised then along with that sent 3 recipes that were her favorite. One for Old fashioned Sugar cookies, one for Tea Time Tassies (which today are sm like cupcakes with pecan filling) and other frosting for Angel Food Cake that they used to bake from scratch but after box mixes came out they used that cake mix.

Her daughter Linda sent me copy of the obit but not the name of the paper it came from, maybe Robinson, IL. Dated pg 2 Tuesday, March 6, 2007:

Update 2018

They started the Crandall Reunion every year from way back many years and has been going continually till 1974 when I met Florence Crandall Adkisson thru the DAR info on the Dyers.

I had completed a book on them for Florence and that year they changed the reunions to the Dyer Crandall Reunion. My Mother and I went a few times to the reunions and got to know this side of my mothers family, which she didn't know either. Gladys LaVon Lowe Treadway and

Mrs Rovene Melvina (Dyer) Lowe Schurr. Mother died in 2012 at age 96. Florence died 2007 at age 97.

Florence's line goes back to Elizabeth Dyer Crandall who was a sister to my mothers Gr Grandfather Charles Hillory Dyer both born in Corydon area, Harrison Co. IN. Elizabeth went to ILL and my line went to Missouri.

CHILD 1 - Linda Jane Adkisson

Linda's mother's sister Rose let me know of Linda's death 2014 in Robinson, Crawford Co. IL, burial Oblong cemetery.

Info from mother Mar 1974. They were living in New Bremen, OH at that time. Shortly after that they came back to Clark Co. IL where Greg had a job teaching History at the Jr High School in Clay City. He has had other jobs since.

Linda also was a school teacher but took off some time while the children were young. Then she went back to teaching. Last known address was Robinson, IL 1998 still living rural Robinson, IL.

Their address Mar 2007 was 9172 E. 700th Ave, Robinson, IL 62454. She sent me obit from paper of her mother Florence Mar 2007 and along with some recipes that were her mothers favorite.

Linda and her aunt Rose Penrod finished a book that Rose and Florence started sometime ago about the Moonshine building this year.

Rose Penrod sent me the nicest Xmas letter in 2014 but was bad news in it about Linda Jane Parrott. Said they lost her this year at the age of 66 after battling cancer for 3 years. Her husband Greg was with her always near the end and Rose was there and some others she knew. She was kept at home the whole time.

Find a Grave internet site listed her with complete birth and death dates and complete obit, spouse, children, grandchildren and burial place parents.

We plow the fields and scatter
The good seed on the land,
But it is fed and watered
By God's almighty hand.

He sends the snow in winter
The warmth to swell the grain,
The breezes and the sunshine
The soft refreshing rain.

He is the only maker
Of all things near and far.
He paints the wayside flowers,
He lights the evening star.

The wind, the waves, obey Him,
By Him the birds are fed.
Much more to us, His children
He gives our daily bread.

We thank thee, our dear Father
For all things bright and good,
The seed-time and the harvest,
Our life, our health, our food.

He always will be with us
To lend a helping hand
And he will safely guide us
Into the promised land.

June 22, 1998

Early this morning, John passed away at our home in Bellair after a 4 year struggle with Alzheimers. He had been bedfast for 5 months in a hospital bed in our living room. We had visiting nurses who came to our home every day and provided both John and I with excellent care. Our doctor was very supportive and cooperated with us in every way. I became very weary but our neighbors, friends, and family helped me in every way they could, and I knew I was never alone in my efforts to keep John at home and as comfortable as possible. Greg and Linda were here with me when he took his last shallow breath. For a week we had been more vigilant as he could not swallow food or water, so we were resigned to what had to be.

This was a time for which John had prepared. He loved the Lord and had given freely of his time and energy to his church in Bellair and the surrounding community. We were so blessed to be married 63 years and live on our family farm. Even though we had one daughter, we have had a wonderful son-in-law and 3 delightful grandchildren.

When we think of John we remember so many things. He had a wonderful sense of humor and was pleasant and agreeable on a daily basis. I'm sure you have some special memory of your own about him.

Memorials may be made to the Bellair Community Center or your choice of charity.

CAUST by Dave Hunt. Published in 1983, it is very current.

Tomorrow is Israel's Independence Day. A city-wide parade took place in New York City last Sunday in honor of this occasion. As Dave Hunt wrote: "Ironically, Hitler's murder of 6 million Jews indirectly created modern Israel. Only the lingering horror of the Nazi extermination camps caused the U.N. to vote the partition of Palestine in 1947. Changing its mind at the last moment, the Soviet bloc unexpectedly cast the deciding vote.

The irony goes even deeper. Hitler's invasion of Russia set in motion events that transformed the USSR into a great world power capable of launching the attack predicted by the Hebrew prophets. In spite of her great losses, WWII gave Russia everything it needed to pursue global conquest: 1) massive military aid supplied by the 'imperialist' United States; 2) the incredibly naive handing over of Eastern Europe by Roosevelt, Truman, Churchill, and Attlee to Stalin after the defeat of Germany. (Roosevelt's trusted advisor was Alger Hiss, accused Soviet spy, perjurer, and chief architect of the U.N.)

Upon this foundation, which Hitler helped to lay, Soviet Communism was able to build a worldwide empire that today threatens the very existence of the Western nations that helped it to survive."

How much evidence do we need to convince us of what the Communists are about? "That Soviet-led international Communism is working day and night to conquer the world is undeniable fact. Yet, influential liberal leaders in U.S. government still manage to steer the West along a path of appeasement that assumes the Communist world conquest can be stopped by discussion."

We must wait to see whether or not the Israelis will return to the original border with Jordan prior to June, 1982. As you know the "Peace for Galilee" thrust into Lebanon has since become an unpopular project with some in Israel. First of all, the occupation has been hazardous and also placed an additional burden on Israeli economy. The call for withdrawal has come from within the government as well as among the leaders of the I. It would be tragic should the Israeli defense forces withdraw any further south than the Litani River. To do so would mean they would have to retreat at some later date. God's Word is Never Wrong! You can be sure the and hostile Shiite Muslims will certainly attempt to return to Southern Lebanon and continue as a threat to the North part of Israel. When such a scenario develops, the Israelis would be forced to once again clean out Southern Lebanon. Israel has lost more than 600 of its splendid soldiers in the Lebanese affairs and it would be horrible to have to do it all over again. Pray for the leadership in Israel. I have spoken with them concerning this matter and will speak with them once more in May. Pray that God will give me wisdom and favor.

Visitors at Moonshine

Reporter June 14, 1950

Some readers may remember Sylvia Berg, daughter of the late John and Bess Berg.

Sylvia, with her friend, Lois, came from Columbus, Ohio to attend the annual Crandall reunion on June 8 held at the Casey National Bank Community room.

Sylvia and friend Lois stayed a few extra days to revisit the Moonshine, Hoguetown and Moriah Areas in which Sylvia spent her childhood.

Tuesday, June 10 Sylvia and Lois, Roy and Maggie Dehl,

Robinson, Florence Adkisson, Rose Ellen and Amber Parrott, Emily Vale, Bernice Ulrey, Fred and Faith Crandall, and Rose and Paul Penrod met at the Moonshine Store to enjoy Enid Minser's very good hamburgers, hot or cold ham and cheese sandwiches. Selling also cold pop and potato chips.

Enid serves many sandwiches to the hungry farmers and oilfield workers from far and near. The men also like to gather at the store for early morning coffee break.

MT. ST. HELENS RELATIVE

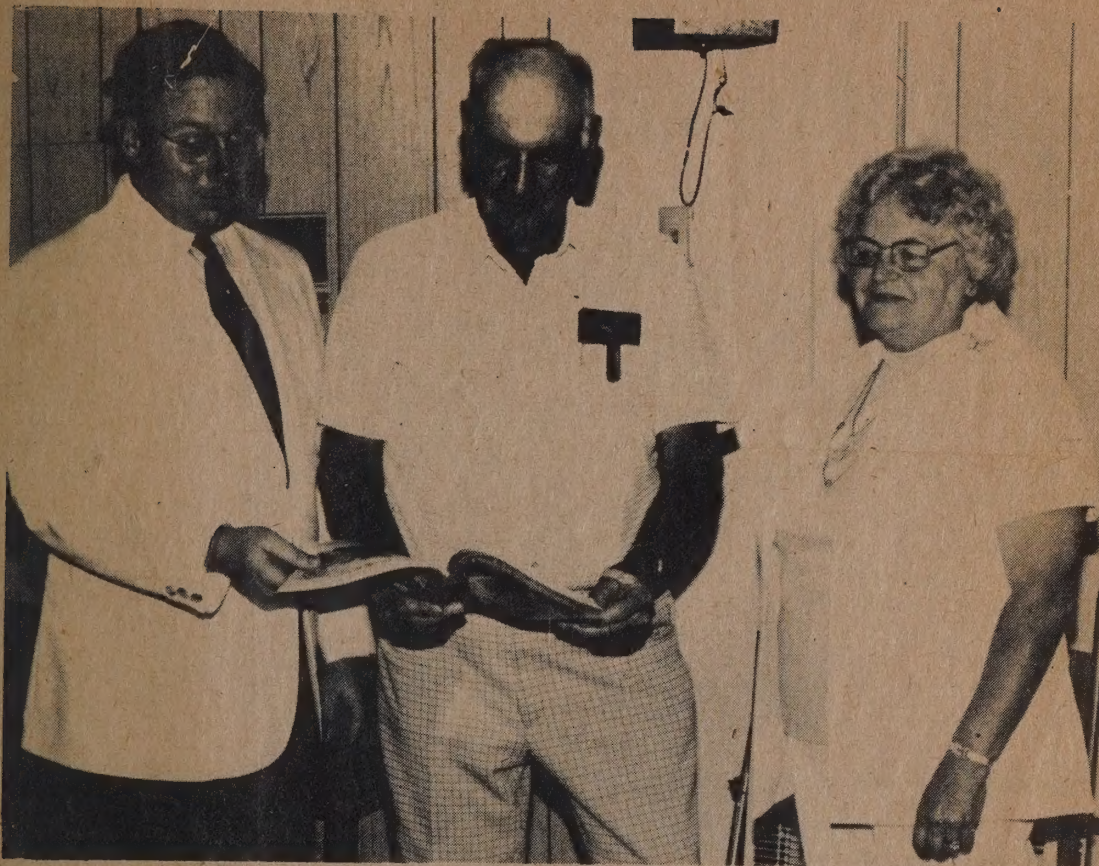

Mrs. John (Florence) Adkisson has been in touch with relatives in Washington and Oregon regarding the recent eruptions of Mt. St. Helens. She, along with other members of her family, Fred Crandall, Mae Geffs and Maude Darling of the Bellair vicinity, Rose Penrod of Casey and Emily Vale of Martinsville, have been following the events in the life of Harry Truman.

Truman is now among the missing and presumed dead on the volcanic mountain after he was shown on television and write-ups in the paper told of the "stubborn old man" who would not leave his lodge at Spirit Lake which was flattened May 18 under 30 feet of volcanic ash.

Truman had been married to their cousin, Marjorie Bennett, from Chelalis, Wash., when the lodge was built in the 1930s. Since their cousin's death in 1954, they have known little about Truman.

After 43 years had passed they were surprised to learn he was still living at the lodge and had become a mountain hero after refusing to leave Spirit Lake when Mt. St. Helens began to show volcanic action.

Some people from St. Helens area stopped in Casey recently & on learning that Rose was a relative of Harry Truman's left her a pile containing the ash.

Republicans squabble c

trying to do something to end abuse of the systems.

Abuse of those systems, designed to help the unemployed and injured worker through times of illness and lack of work, have driven up costs to the employer and caused some of them to leave the state for cheaper pastures.

Democratic strategists and Republican leaders alike agree Democrats could fare better in GOP-targeted district races this fall with the move.

The issue of workers' compensation reform this session revolves around a bill that

would discourage workers from pretending they are ill or injured on the job.

The session's jobless pay reform bills are designed to deny payment to people who quit work because their spouse has been transferred or because they get tired of their jobs — with some exceptions. In the case of the jobless pay issue, it's those exceptions that are causing the dispute.

Gov. James R. Thompson, reacting to criticism from pro-business leaders that he has not done enough to help warm up the state's bleak business

climate, has put the resolution of both issues among his top priorities.

But the real dispute over the fate of these bills now lies in the House Labor and Commerce Committee. And the party sponsorship snits over credit for reform is threatening to confuse any single effort to resolve the problem this year.

That's why Thompson — also pressured by charges his new Department of Commerce and Community Affairs is a bureaucratic nightmare — reacted bitterly last week when House Democratic leaders on the

LONGVIEW, Wash. there." John Anderson, a friend, added, "Harry's name and Harry's presence will always be a part of that (Spirit Lake). There can be no finer memorial."

Harry R. Truman — the stubborn old man who wouldn't leave his volcano.

Truman, 83, spurned all warnings, including those from worried school children who wrote from as far as England asking him to move from his lodge at the base of erupting Mount St. Helens.

The crusty Truman, whose rapidfire talk and love for drink became part of his legend, firmly believed that Mount St. Helens could never hurt him.

He remained despite earthquakes shuddering through the mountain at an increasing rate each day and a booming red-awakening of the volcano — with a mighty blast of steam shot four miles high — on March 27, after 123 years of dormancy.

He had a cache of whiskey, and as long as the supply held out, he said he would stay or go.

They would be isolated because of snow for 2 or 3 months each winter. We have pictures of the lodge & snow. Marjorie had cancer & left the St. Helens area & went back to Chikahis. Had surgery — lived a year or so & died in 1954.

Mrs. Whiting and her husband, Duane, flew by helicopter over the devastated area four days ago and dropped a wreath of carnations and daisies atop the smoking site where Harry once lived.

"We put it right down, as near as I could tell, on Harry's lodge," said Duane. "It was just ashes and dust there, about 30 feet from a big steamy fumarole."

"The mountain and the lake were his life," added John Garrity, 61, a longtime pal of Truman's from White Bear Lake, Minn. "If he'd left it and then saw what the mountain did to his lake, it would have killed him anyway. He always said he wanted to die at Spirit Lake. He went the way he wanted to go."

The Rev. James H. Conrod of the American Baptist Church, told his congregation, "Younger people may not understand the decision made by Harry, but we older people — we understand that that was his lake, he chose to live there and he chose to die

Dear Florence & John,

Received your letter about Mary Bowen, was sorry to hear of her passing. Thank you for the notice. If you happen to come across an extra obituary would appreciate a copy. (Thank you for the other info on last two deaths as well). I really appreciate you keep me informed on info from your line as I wouldn't know otherwise.

Sorry to hear John isn't too well. Hope he gets better. I guess age has a way of catching up with all of us. Mom is slowing down some as well and Harold should but doesn't.

It hasn't been too great here the last year either. Since Chuck was in the hospital 10 days last June he has had recurring problems with kidney infection and low blood platelet count and after doctoring since then for it, medicine didn't seem to help and he was getting worse as time went on. The last couple months he has had several blood platelet transfusions and now they have surgery scheduled for Friday to take out his spleen. They hope this will cure the problem. He doesn't have any other problems like cancer or anything but this sure has put him back some. At least that is what all the test show. I don't think he is too convinced though. Other then those two problems he isn't any worse then he has always been so will wait and see I guess.

I'm doing about the same. Blood pressure up and down and weight up and down, mostly up but so far nothing serious and all being controlled by medicine I guess.

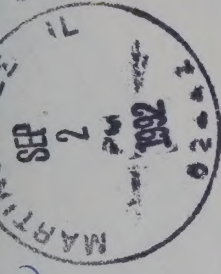

Kids are all doing okay as far as we know. Larry still in Hazelton, PA and working and Sheri and son Jason in Virginia, MN and working and Gayle is close with Caanan and Brittany so all doing alright now. Tomorrow may be another story as things change daily seem like.

Nothing else new around here so take care and keep in touch.

Dear Gladys

This is the material I wrote for Linda Crandall in the East who wanted me to write something about my grandparents which would tell her about our family.

I was born in 1910 and my grandparents died when I was in my early teens & living right by them I have many fond memories of them. Then my Aunt Ada inherited the house & acreage & lived ^{on} there so the house was always special to me. I would be interested to know if my writing

about them² would be what
you'd think of them -
knowing so many of us
and writing ~~about~~ so
much about the Crandalls
yourself.

I copied some pictures
to show you what the
homestead looked like.

You know where it ~~was~~
located + I wondered if
it make them more
real - reading my brief
account of them in the
eyes of a young grand-
daughter - I think I was
the 16th grandchild of
25. I'm glad I did. I have
written about my Bennett
Ancesters, now the Crandalls +

3

John side of the Payne Family
His Adkisson Family I know
very little about since John's
Grandparents died early. They
came from Kentucky. The
Grandmother remarried -
I know all his Aunts & Uncles
except two - I might write
a little something about them
some day so that Linda
would have a reference.
I wrote up John's history &
published it in a County
history several years ago.
I think I have finally quit
losing weight. Not much
energy but I keep going.
Haven't found any real
causes for it except a -

bout with high blood pressure,
 water retention, heart
 disturbance, three teeth
 extracted & two cataract
 surgeries a month apart.
 Maybe it all took it toll.
 After all 80 isn't exactly
 the most fun time in life.
 I think I've got about
 all the information I can
 squeeze out of people. so
 call it quits & get on
 with what you want
 to do about it.

Will write again later

Love

Florence

I'm thrilled you are ^{the thought}

Dear Gladys.

Am inclosing the three
deaths we've had since
August. I couldn't remember
if I told you about these
people. especially Duane &
Roy. Duane had fallen & broke
his arm in June. It didn't
heal & when ~~praying~~ it
in July they discovered a
growth in the lung & gave
him 6 weeks to live & that's
how long it lasted. Roy
had blood problems & grew
very weak. I don't know
much about Clara as she
had gone up north to
live near her children
there & we had not seen

her for a year and a half.

There was just an hour visitation before her service so no chance to visit with anyone. Her children were very distant people & the boy who lives in Martinsville was in the hospital ready for open heart surgery. He had the surgery & doing very well. His name is Doyle. He has a nice wife, Lois.

Here all OK. We have a new John Deere lawn mower to start spring work. I like to mow. If I can ride. At present, I'm trying to clean house. It remains cold to wash windows, but I'm getting it done. John has lots of problems remembering where he puts things & I'm not much better at it. Write some time. Love, Florence Hi Chuck!

Enclosed is the copy of
Memorial Service for
Mary Olive Bowen.

She passed away Sat.
night, April 9, at her own
home. She had been in a
nursing Home for some time.
I think I told you she had
to have a foot removed & was
in a nursing facility. She
began to de-hydrate & was
sent to the hospital. They
decided to find another care
facility, but she began to
have liver & kidney failure
so doctor said take her
home. She only lived a day
& slept away knowing she
was home.

We went to the services.
I will miss her altho she

was unable to communicate
with me by phone or mail.
We visited her once, but she was
so unhappy in the home there.
We were planning to go again
to see her in a couple of weeks
when Rose was through with
taxes.

There's having a wet spring.
John isn't very good, but
we keep going. I hope we'll
be able to mow the yard.
We have a new John Deere
mower.

I'll send more material
as the girls get it to me.

My Aunt Ada then lived several years in the
house place after her husband died. I think it was
torn down about 20 years ago.

when Grandma died so I have lots
of memories of the home as we lived
just $\frac{1}{2}$ mile from them & I always rode
horseback up every day when weather
was good & school was out. I can't
remember when I couldn't ride & saddle
a horse. Dad always let us ride
any horse which was able to be caught.
I could strap a sheep skin on them
if no one was around to help me
saddle up when I was smaller.
I'm sending her a copy of a picture
of the front of the house.
Hope Chuck is ^{as} well as usual & your
folks.

John & I continue to complain &
lose a little ground each year. We
still mow & garden & car. We just
bought a new L.T.D. Crown Victoria. Our
other was 7 years old & 137,000 miles. It
had been a good one, Our granddaughter
wanted it so we gave it to them to go
back & forth to school. The dealer was
glad not to have to talk trade &
because we were keeping it gave us
an extra \$1,000 off the new one. That was
a surprise but we took it. I'll be in
touch. Love Florence

Dear Gladys,

I continue to get some more information for the Crandall Connection.

This is from Doyle & Lois Neubarger family.

Have been thinking of you as I go through this book to add to it.

I've heard from a Linda Crandall 273 Boston Post Rd. Madison, CT. 06443. I gave her your address. She seems to be about Linda's age. She sent me some pictures. Said she only knew a Sylvester Crandall existed but thought he had no children. Did we open up a real can of worms for her! She said she had visited Buttrick Cemetery in Indiana & might try to come this way if she gets out to Indiana again.

She wanted me to write a little story about Sylvester & Jane. I have it roughed out. Will get it typed. It will be nice for Linda to have. I was eleven when Grandpa died & 13 when

Olive's Corrections

all updates
Dear Gladys,

Our reunion was Sunday. In writing up a copy for the paper (1992) and will send you one. It will be a while before I get them in the papers etc. However, Joyce Ancil found this 1985 copy in her records and before it gets lost again, am sending it on to you. Olive Bauer, Helen Lazzell, Wilma Mehan, Margaret Trizzle, Deane Crutchfield - Alta Mae Todd and of course, our Cam Crandall family - all will be bringing our families all up to date - and will want books. The first correction

I made & sent you was on
page 18 at the bottom where
it says Viola Slauth records that
Ira Crandall went hunting (son
of Ira & Polly Crandall) is all
right except he was the son
of Sylvester & Jane Crandall
and that should be included
in the eighth generation on page
44. His birth date was right
there Nov. 14, 1968 & death
Sept. 2, 1956. The next page
giving his year as 1869 is
wrong according to my records

I think I've written you
this before.

On page 45 - Lucrence -
Mamie was the ^{only} daughter
he had. Arla was his step -
daughter by his 2nd wife
on page 46 - Viola was a daughter

(2)
of Lawrence's 2nd wife
Emma Summers. so
that page can be corrected.
Mamie's mother ^{was} Margaret Link
I think on page 48 - ^{we called her} My Magg
Dad + Mother were married
Aug. 28, 1907 not June 28-1908
page 48

on page 58. Iva wife
of George Neubarger is living
as is Clara wife of Dale
Neubarger on page 57.

The first changes in our
family is page 71 -
under (308) Emily's
her husband was Elijah Vale
not Elphus. He died July, 1983
so it can be changed
also on p. 98 (410)
Joan Vale daughter of James
Elijah not Elphus.

also omit
about Emily's
suicide except to say
by her own

fresh news to me.

I have commitments
for 11 books & no doubt
can be more. Will keep
in touch.

Dear Gladys.

Am sending you the
clippings I have and some
pages for correction. I have
a paper from Olive & a
promise of one from Helen
but don't count on it. I have
twelve books firm commitment

We're having a dry June.
Crops hurting & no rain
promised. Lawns brown.

Fred was in the hospital
a month ago & still isn't very
good. Colon problems.

On page 62 in your new
book Roy Lingafelter resides
in the Birchwood
Nursing Home in Casey.

Will keep trying to get
some updates.

Page 71- 308- James Vale

most charges except the ones
I've sent you will be in the
10th generation or up. Perhaps
I can get a few of these.

In sending you the original
of the reunion write up. The
one from the Daily News was
quite abbreviated. They do that
sometimes I just skip them with
most items I want published. I
thought the short form would
do for your records if you
wanted it that way.

I'll keep writing as I
come up with things.

(Dearnbarger) Hills, was born 24 Sep 1990 in IL.

Ryan Lee Hills, son of Terry Lee (Twin) and Millie Ann (Dearnbarger) Hills Born
born 27 April 1992 in Mattoon, Coles Co., IL.

Handwritten text on a long, narrow strip of paper, likely a bookmark or a piece of stationery. The text is written in cursive and is mostly illegible due to the angle and quality of the image. The strip is white and is placed against a dark background. At the top, there is a small rectangular hole, suggesting it was once part of a bound volume. The text appears to be a list or a series of notes, with some words being more legible than others. The overall appearance is that of an old, possibly leather-bound book's endpaper or a similar historical document.

Dear Gladys

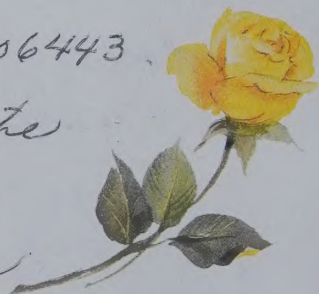

Sat. Afternoon
Aug 1992

Enclosed is some
more information on
the Helen Luzzell 11th
Generation pages 114-115-116-117.

I may get more from some
of the other Keefargers but not
likely.

Have I written you that
Paul Crandall died July 25, 1992
Burial in Roseville. Had a
stroke? -

I have heard from a a
Linda V. Crandall 273 Boston
Post Rd. Madison, Ct. 06443.
She's connected to the
Elder John Crandall +
was at the setting a a
new granite marker with

his name + other information
that I had received from
Evelyn Crandall in Rolling
Meadows. Ill.

She said her record did
not include Sylvester Crandall
family so I copied + sent her
what I had. Have you heard
from her?

Since I last wrote you
we've had lots of rain
almost too much. Some
Terrible Hail north of us
20 miles, Destroyed 900 acres
of Crops. The wheat had not
been combined but all beat
down.

I'll keep in touch. Some
more have asked for books
so I'll try to get some idea
how many we could sell later.
Love, Florence.

OUT IN THE FIELDS WITH GOD

The little cares that fretted me,
I lost them yesterday,
Among the fields above the sea,
Among the winds at play,
Among the lowing of the herds,
The rustling of the trees,
Among the singing of the birds,
The humming of the bees.

The foolish fears of what might pass
I cast them all away
Among the clover-scented grass
Among the new-mown hay,
Among the rustling of the corn
Where drowsy poppies nod,
Where ill thoughts die and good are born—
Out in the fields with God!

Birth date, Saint Joseph, Champaign co. IL, death date 21 Feb 2003 age 91. Casey, Clark Co. IL. Son of George Owen and Florence Elizabeth (Buker) Penrod. Md 19 Nov 1944 to Rose Geraldine Crandall 1919- aft 2018.

They had no children. (copy)

Info from Florence Adkisson Mar 1974 and updated by Rose and Paul Jun 1975. They never had any children. Paul worked as an Engineer on the Milwaukee Railroad for 50 years before he retired.

1996- Paul had angioplasty surgery but is doing okay.

May 2003 got an e-mail from a Hum descendant and they said they had talked to Rose and sister Florence and said Rose's husband had died in Feb.

2015 Xmas letter from Rose, one copy of one she sends me every year.

WIFE - Rose Geraldine Crandall

*Oct 2018 located info on Rose from Find A Grave internet site which listed her birth date. 11 Oct 1919 and she would have been 99 years of age. Last heard she was doing okay.

She will be buried in same grave marker that her husband was in Casey Cumberland Cem.

(hope someone lest me know as always counted on Rose to keep me updated of the Crandalls.GLT). (copy)

Received an Xmas letter every year since her sister Florence passed away in 2007. Keepiing me updated on the family. Last letter was 2017 and was still going and doing all the time. She will be 100 on 11 Oct 2019. Still lives in Casey, IL.

Info from Florence then received info from Rose and Paul Jun 1975. They were living at 209 S. May ST, Bensenville, IL till Mar 1976. Now they are living at 408 E. Colorado Ave., Casey, IL 62420. Rose was working as Bank Teller in Casey, IL. They had no children.

They celebrated their 50th wedding anniversary this year of 1994.

Shortly after 2000 started corresponding with Rose after they put her sister Florence in a nursing home and she kept me up to date on what was going on. Heard from her each Christmas then.
She is living in Casey and doing taxes every season, she said this year for 28 years. She was 87 this year.

Xmas card from Rose 2008 certainly showed she has had a busy year, still doing taxes and visiting Chicago people and others in several different places so she does get around. One of the few that seem to have so many friends and relatives that all seem to get together all the time. Very nice.

Very nice long letter from Rose just after Xmas and I had sent her one also. She is still working at age of 95 but says she is going to quite now and retire.. She has traveled a lot this year as seems to do every year. Can't walk but goes in wheel chair but manages to get where she wants to go.

Amazing she is in good health at 95. 2014.

2015 received a nice long letter about her life during the past and what she had done in 2015 which was a lot. She seems in good health for her age and going and doing all kind of things everywhere. With family and others. She finally quit working after on payroll for 26 years by hand and had done 8 yrs writing income taxes by hand for H&R Block in 1980 and so had had 36 yrs of work after moving to IL just before her husband died.

The Dyer DNA must be working for her as she doesn't look her age at all.

A trip on a train for my 96th Birthday

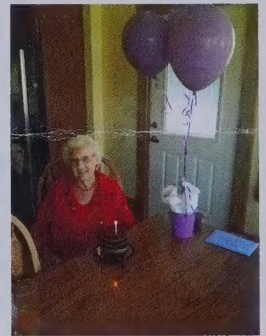

Took a ride on the Monticello Railway Museum Line. They found out it was my birthday and ask if I would like to help drive the train. They helped me up into the Engine and we took a nice ride. After, we took a picture with the men who had helped me up into the Train! On the ride back I rode in the Coach, I had enough excitement for one day!

The museum even had a Milwaukee Road Car and that was the line Paul worked on. The Engine was an Illinois Central but the type was a GP, perhaps for George Paul Penrod! Christmas Letter 2015

Well, I seem to go backward this year with my Christmas letter and I'm late with it but I wanted to not only write my usual letter but also include a list below. My grand niece Amber knows I like to do unique experiences and oddities each year so this year was she had a good one for me on a train. It starting me thinking about all the things I have done and I am going to share a list with you of those things at the end of the letter this year.

On December 6, Jackie and I attended a birthday party for twin girls Hannah and Haley Schackmann (6) as well as their brother, Hunter (5). It was hosted by their parents my great-great niece Chelsey and Travis Schackmann and her parents Lisa and Brad Huddlestun.

I spent thanksgiving with the Greg Parrott family in Robinson, IL. His daughter RoseEllen & Tom Osborne have a lovely log home. Greg has a French home. His youngest daughter Amber & Matt Kramme have a Victorian home in Monticello, IL.

We had Crandall Christmas on Sunday, December 13 at Cottonwood and I laid out lots of my linens from my linen closet to let family help themselves to anything they wanted. I'm clearing out some things. I cleaned my collections of plates, state plates, and Avon ones and another kind.

In September, my pleasure was going to Paul's Army Reunion in Branson, MO making my 29th year to all our reunions everywhere as far west to Colorado Springs, CO, northeast to Niagara Falls, Canada, east to Hershey, PA and not so far east to Dayton, OH (the large airplane museum with around 100 planes there) and south to Savannah, GA. I served as treasurer, secretary, vice-president and the president for the past 5 years. Jackie, my cousin, takes me and this year my twin nephew Gary and wife Nancy attended as well and helped me get around.

Our secretary, Harold Reardon has a sister Charlotte Franke who came to the reunion in 2014 and she made up a most beautiful album, all the men were on the front and everyone was in a picture inside and sent it to each one of us. Such a lovely thing and shocked every one of us. We love her dearly and we thank her.

I finally wrote my single life and career life and some of Paul's single and army life. Now I need to get this all in order this winter.

This spring, around memorial time I went with friends to the cemeteries, nephew Gary's mother in law, Betty Hutton. We probably traveled 150 miles in one day. Then another friend from Urbana, IL comes and we stay local here and also took in all the oddly things being built in our town. We have the largest rocking chair, chimes, pencil, ruler, bird cage and a huge mailbox high up on a post. All the items are made out of wood.

I've been meeting some of my husband's nephews and nieces. I visited his niece Lynne that lives in Terre Haute, IN this year just like every year since she was five. I was in contact with Lynne's mother and father, Irene and Clifford Baker. Lynne lost her mother in Arkansas January 14, 2015, and I thought she would have out lived me. Then, Lynne lost her only son suddenly in Arkansas at 46 years old and it was such a shock. Lynne and I made a trip to Saint Joseph, IL in early spring to attend a funeral of a cousin on the Penrod side and we saw Paul's side of the family there.

Corene & Jim Pugh came to visit as well. She was one of the children of our dearest friends from World War II from Indianapolis who visited us in Chicago when they attended Furniture Shows every year. The family would always take us to the Indianapolis Speedway every year for 25 years – I loved the races more than the men did! The kids (Rusty and Corene) grew up knowing us!

Joan, my niece who lives here in town, let me know her son Jim Hills and his wife Donna would be coming to town on December 27 and we went out to our famous ➔

Richard's Farm Restaurant which is in a huge barn. I had not seen them probably since my Paul died February 21, 2003 and I buried him on his 92nd birthday, February 24, 2003. Loved seeing them both again.

We have had our share of deaths this year. As you know I lost my niece, Linda Parrott, August 29, 2014. I was there and to tell her I came to see her and stay and in five minutes she passed on. I feel blessed I was there and she heard me I'm sure. So I went down at Christmastime to be with her family. I thought sure Greg could have peace to start living after 3 years of not leaving her side. However, on Christmas morning 2014 a 7:30 am phone call brought the news from the doctor that his mother had terminal cancer. It was such a shock but he took care of her just like he did Linda and his mother Ellen passed in June 2015. I praise him for taking such good care of both of them.

My great-niece Lisa Huddlestun lost both of her in-laws Paul and Lou Ella within 3 mos of each other. It was such a shock. I met Steve Adkisson at the funeral (I was shocked since I didn't realize he is related to the Huddlestuns and but had always known he was also relation to my sister Florence's Husband John Adkisson).

In October, I got word the Chanute Air Museum would be closing and I had donated my nametag from the years I ~~work~~ at the airfield. Greg called up to see if I could have it back and then we went up to retrieve the 1940's wartime nametag. We also stopped by to see Steve Adkisson at Frasca Field in Urbana and then had dinner with Amber, Matt and the kiddies.

Now since I've gone backward with this letter so in January I'm relieved I gave up my pay-roll job for my boss, Susie May after 26 years doing payroll by hand, not on a computer. I did 8 years of writing income taxes by hand for H&R Block when I started in 1980 making me work a total of 36 years with her and I'm doing a little work yet and I'm 96 years old. **Happy Holidays!**

Rose

Now to the list I promised. In my 96 years I have had some interesting experiences and this year it included a train. Let's start with a little history... I went on the train with my hubby Paul the very last day he worked and retired from the Milwaukee Railroad on March 26, 1976 in Bensenville, IL, a suburb of Chicago where we lived for 30 years. When family and friends came to see us, if it was a man or a boy, Paul took them on his engine but I never did go until his last day. I had a friend to go with me and took the picture below. So what a thrill, I loved it and Paul did too! This year for my 96th birthday my great-niece Amber invited Jackie and I up to Monticello, IL for a train ride. The Engineer and Conductor found out it was my 96th birthday and insisted I ride in the Engine. It took some effort to get me up there but was a glorious day and wonderful ride. Pictures below show Paul and I on the train in 1976 and Amber and I in 2015.

As many of you know, I was born in the "horse and buggy" days back in the 1920's, then started learning to drive on a Model T Ford when I was 10. Dad taught me my first driving lesson and by the time I was 12 I drove everywhere... here are few other experiences I have enjoyed.

On one of our trips we stopped to see our dear friends the Sampsons in Bensenville, IL – Charlotte says to me that their son has a motorcycle. I was probably 60 years old and Kurt says, "my mom will not ride with me." I said, "Charlotte, you must ride with him, I mean it." She said, "no" but Kurt said to me, "would you ride with me?" I said sure I would and meant it. He said, "now?" I said sure I would. I had red slacks on, a white top and jacket with a red scarf for my head and away we went. Cars would pass us and look, get by us and then turn back to see that old lady with that young man. Sure did have fun looking at them and smiling of course, was the thrill of my life.

I met Don Rupert when I worked at the laundromat in Bensenville, IL where I taught him to do his laundry. He was working at O'Hare Delta Airlines, and we liked him so much and he liked my Paul and he spent a lot of time at our place. When it was time for him to go off to war he didn't go home to leave but rather I sent him off to war. It was something new in my life since I never thought I would have that experience since I didn't have any children of my own. I will never forget what it was like to see him leave the house and walk up to the train station. We are still close friends and got to see him and his wife at our Army Reunion in 2015 but at Don Rupert's home in Michigan a few years ago he ask what I wanted to do – I said I want to see the inside of an airplane cockpit and so he took me. I never saw so many wires in a plane. When I lived in Bensenville we lived so close to the airport when I stood on my back steps I could see the rivets in the planes as they took off and landed at O'Hare. Too close for comfort!

In 2014, I was in Streator, IL to see my dear friend Doris Redfern. I was there for my 85th birthday and their son-in-law Bill Berge knew I was going home that day and he said I thought you might like a ride in my combine shelling corn. "Oh YES!" I said. Loved it dearly! Always thought I would get up there again for another ride.

A few years ago my niece Linda and Greg Parrott took his mother and me to Washington, DC to see the World War II Memorial and I ask if we could see the plane Col. Paul Tibbets flew and dropped the 1st atomic bomb on Japan, named after his mother Enola Gay. Yes, we did see it and as I opened the door there was that huge plane and it took my breath away. I walked the ramp and looked down into the cockpit of the plane that ended the war and helped all our boys come home. Thrill of Thrills again in my life. We had gotten to see Paul Tibbets in person at the 20th Air Force Academy in Colorado Springs, CO in 2000. I've also seen the 2nd plane called Boxcar that dropped the second bomb in the Dayton Ohio Air Plane Museum.

On July 20, 2013 went with Greg to Marion, IL to an airplane show. I had the thrill of my life seeing and going into the B29 called FIFI, the only one left flying. I climbed a metal ladder into the cockpit area and I sat where my husband Paul would have sat as a Flight Engineer... what a thrill again. P.S. I ask the gentleman in charge of the plane how many old ladies my age of 92 had gone through, and he said never any as old as you. Hope you weren't too bored reading this but if so just throw it in the trash!

That reminds me

Lady phoned the builder of her new house to complain about the shoddy workmanship and the violent vibrations throughout the house when a train went by four blocks away.

"Ridiculous," he said. "I'll be right out to check it."

"Just wait til a train comes along," said the women when he arrived for his inspection. "Why it nearly shakes me out of bed, just lie down there, you'll see."

The builder scoffed but accepted her challenge. He had just stretched himself out on the bed when the woman's husband came home.

"What are you doing in my wife's bed?"

he demanded.

The poor builder quavered. "Would you believe that I'm waiting for a train?"

finding Sally Dyer Waggoner, a great granddaughter living in Crandall, Ind. She, in turn, told her of the Elizabeth Dyer Crandall family living in the Casey area.

Gladys explained how all present were direct descendants of Charles Dyer, a Revolutionary War soldier, who served in the Company of the 12th Virginia Regiment. He was born in Shenandoah County, Va. in 1755. His son, Hugh, was born there in 1794. They then immigrated to Rolling Forks, Ky. and then to Harrison Co., Ind. Hugh's son, Wm. Birchfield Dyer, was born there in 1819.

Gladys told of her plans to publish a Dyer family history and was happy to find so many present who were willing to complete papers on their families and thus further her goal of getting this record published as quickly as possible.

Three branches of the Wm. Birchfield Dyer family were present. Mr. and Mrs. Lawrence Miller and daughter and Mr. and Mrs. Bud Moser from the New Albany, Ind. area, are grandchildren of Florence Dyer Miller, daughter of Wm. Birchfield Dyer. Gladys Treadway and her mother were descendants of Charles Hillary Dyer, son of Wm. Birchfield Dyer, who had migrated to Missouri at the close of the Civil War.

The remainder of those present were descendants of Elizabeth Jane (Dyer) Crandall, oldest child of Wm. Birchfield Dyer. She and her husband, Sylvester, moved from Harrison Co., Ind., to Clark Co., Ill., soon after the Civil War was over.

Others present besides those mentioned above were: Mr. and Mrs. Voorheis Bowen, Mr. and Mrs. Burnam Culbert and Jim of Kokomo, Ind.; the Chuck Ancil family of Russiaville, Ind.; Mr. and Mrs. Glen Neibarger, Mrs. Helen Lozzell and son, Bill, and family of Danville; Mrs. Wilma Mehan, Allerton; Mrs. Bonnie Connors, Tuscola; Mrs. Margaret Frizzle, Oakland; Mr. and Mrs. Forrest Neibarger, Danville; Mr. and Mrs. Kenneth Neibarger of Newman; Mrs. Doris Partlow, Mansfield; Barlow Melton, Robinson; Mrs. June Granby and family, Newton; Mr. and Mrs. Art Todd and family, Ridgefarm; Mr. and Mrs. John Adkisson of Oblong; Mrs. Emily Vale and Mrs. Joan Hills and sons, Martinsville; Mrs. Fred Crandall, Mrs. George Neibarger, Miss Hazel Bowen, Mr. and Mrs. Roy

CRANDALL

The annual Crandall (Dyer) reunion was held June 9 at Casey. Due to the inclement weather, the basket dinner was served in the VFW Hall instead of the Fairview Park.

Following the dinner, Fred Crandall, president, was in charge of the program. Joyce Ancil, secretary, presented the attendance gifts. Mr. and Mrs. Dale Neibarger of Martinsville, were the oldest married couple. Mr. and Mrs. Del Neibarger of Kokomo were married most recently, and their son, Greg, was the youngest baby present. Mrs. Rovene Lowe and Mrs. Gladys Treadway of Bettendorf, Ia., had traveled the farthest to attend the reunion. Officers elected for the coming year were: Fred Crandall, Casey, president; Geo. Neibarger, Casey, vice president; Mrs. Joyce Ancil, Kokomo, Ind. secretary.

Lawrence Miller's daughter of New Albany, Ind., entertained with a humorous reading.

One of the highlights of the day was the presence of Mrs. Rovene Lowe and her daughter, Mrs. Gladys Treadway, this being their first time to attend the reunion. Gladys spoke to the group explaining the family relationship of all whom are descendants of Wm. Birchfield Dyer of Harrison County, Indiana. She told of her search in Indiana records for other branches of her great, great grandfather, Wm. Birchfield Dyer's family and

Dear Gladys

Enclosed are some news from Ill. Our reunion was smaller this year. No one came from Southern Ind & the Otis Crandall family had their reunion that same week end and had other plans."

Wayne Ragon who lives in Robinson had wanted his family (Beulah's son) to come to his house for their get together. He wanted them to go to Moonshine for our famous moonburgers that they serve in the Country store right there where Otis Crandall was born & reared. Only three of the nine Otis Crandalls children are living. Don, Aris & Gerald. They all came. There were grand-children & great Grand Children from every family. 40 of them converged on Moonshine at 11:00 June 12. Rose & Paul, Fred & Faith, John & I were there to meet them. We had pictures & all the books you've put together & after eating we went out into the yard & Fred & I told them everything

we remember about our Grand-
parents. They were all very interested.
Then they went to the Butternut
Cemetery + from there to Hunt City
where most of the Cheddens were
born - 3 were born at Moonshine
but they are all gone now. Then they
were to go to the Elks in Robinson
for Evening meal + then breakfast
together Sunday morn - + I don't
know the rest of their plans - but
it was a fun day. Duane comes
about every week to eat at Moonshine
He + his golfing buddies. John + I
eat there often about 40 were there
two weeks before this when we
were on our way to the Cemetery.
Wish you could come back again
someday. John + I don't drive very
far anymore. His hearing is bad.
Fred + Faith still struggle over the
loss of Larry as we all do - but
life does go on.

Keep in touch. Hope everyone
paid for their book. We were all
pleased with it. Keep in touch!
Love, Clarence

Sept. 1, 1983

Dear Gladys,

Have had you on my mind for weeks but just put off writing. So hot and humid here. Rain every other day - Couldn't keep lawns mowed & grass clapped around I broke one mower, Linda broke hers so we've had a repair shop around her. Greg finally got Linda's fixed up so it's a good mower. Mine is about over the hill but I refuse to let go of \$2000⁰⁰ to buy the kind I want this late in the fall.

We had a trip planned for later and then the doctor detected some circulation problems that might require surgery ^{for John} so when the x-rays

Came back for the 5 mos. Check up there was very little change. I was so relieved to think there would not be any surgery right now that I cancelled our trip got our money back + just thanked the Lord that all was well for the time being. We had one experience with emergency hospitalization on a trip to Florida so certainly didn't want to go through that again.

So much for our problems. Tell me about the flood region in the Bettendorf area. Were there real problems there? Did the excess rain hurt the crops there? We had lots of rain early that delayed planning + lots of rain all summer but harvest will be late, but if nothing goes

wrong will be bountiful.

How have you been? How's
Chuck? and your offsprings?

We have some Cousin problems.
Duane Crutchfield died Saturday
at home in Martinsville. He
was diagnosed six week
ago with lung cancer & given
six weeks to 6 mos. to live. He
moved in rapidly. He had
fallen a day or two before our
family reunion & broke his
arm half way between the
elbow & shoulder. They set it
but it didn't heal. He went
to the hospital to have some
surgery to pin it & in taking
a routine check of his lungs,
found the cancer. Needless
to say, they didn't operate &
^{the arm,} it caused him terrible pain.
He was on morphine the
last week. The cancer caused

shortness of breath but no pain. We were so saddened by all of this. He had never recovered from the stroke he had some time ago. Bernice is a strong person & her boys helped her to take care of him at home.

Now for Olive Bowen's problems. She's had a foot removed a few weeks ago. When she came to the reunion in June she had to sit with her foot elevated. They put a new vein in from the groin area & for a short time she had circulation. Then it failed & the only recourse for it was surgery. We plan to go over soon.

At present time she's in Extended Care Unit at St. Joseph Hospital Kokomo, Ind. 46901 Room 214.

Now for Ray Longfetter. He's

in the Heartland Nursing Home in Casey & has been in & out of hospitals, nursing facilities for quite some time. He was 97 on Jan 1. He has failed a lot since I had last been to see him. He doesn't see very well, acufully then & having circulation problems in one leg.

Isn't this a cheerful letter? The rest of us are doing very well. John, me, Paul, Fred & Faith have all had our 80th birthdays. John is 84. I'm 83. Paul 82 Faith 81 & Fred 80 this past April.

We had big celebrations for all of us. Now were Coasting along very well.

My Linda & family are all busy. Rose Ellen senior in College, Amber, senior in H.S.

Johnston is in 4th grade
at the Christian School where
Linda teaches. Our son-in-law
Greg is Human Resource Manager

Dear Gladys.

I have survived the Christmas Season & now planning John's 85th birthday Jan 2. Just have family, no big celebration.

Roy had been in & out of the hospital the past two years. He had prostate cancer surgery several years ago & it seemed to have destroyed his blood so he would have to go into the hospital for blood. This last time he just didn't respond. Not very alert or interested in anything lately.

He had requested a military funeral & veterans as pall bearers. Had no music. It was a cold chilly day but the tent had a heater in it so we survived. No visitation only two hrs before the services & no meal prepared. People who planned

it first didn't want to be bathed.
He, no doubt. I expect has ^{an} estate
of 3 or 4 hundred thousand
dollars. It will be divided
between nephews & nieces on
both sides of the family.

About 30 veterans attended the
services & took part at the
grave side. That was his &
Ollie's only interest outside
their money.

When I was growing up
Roy lived near us, worked
in the summer for Dad
& was very fond of all children.
He fell out with his nieces

& nephews during these
last years due to his sister
Vertie. They will inherit. The
people who farmed his ground
was to be left 80 acres of land
as they should have.

Roy's brother Lloyd died at
age of 32. He died with T.B.
exposure in the War. He was

3
a Dispatch Rider for the Coast
artillery - rode a motorcycli
day & night. Was a volunteer
& served quite a while overseas.
He married when he came
back, but had no children.
He hated farming & went
to Kansas City to a Sweeney
Automotive School. He was
working for Chambers Ford
Wholesale Plant in St. Louis
when he became ill & died.
He was younger than Roy.
We all grieved his death. I
was 7 years old when he
went to war and I remember
how happy we all were when
he came home.

I hope Chuck is better.
Wish we were closer. We don't
drive long distances now.
John's hearing is very poor.
Will keep in touch
Love,
Florence
(over)

After Lloyd got overseas he wrote back to Roy not to enlist, but wait to be drafted which Roy did. He was 21 when he was called up.

Rose also has some notes about Roy's service in the war. Roy liked to talk about his experiences in later years & Rose & I were good listeners & took notes. Nice if we had had a tape recorder.

Sat Morn.

Dear Gladys. Its hot & dry here & since I'm not very busy this morning I'll "ramble at it".

38 were at our reunion. None of the Otter Crandall people came or the Heger family from Indiana so crowd gets smaller. We missed Olive but her family all came as always. The girls were so good to Olive & so were the sons-in-law & the grandchildren. Death was merciful as she was so miserable in the nursing home & so helpless.

Doyle Meebarger had had four bi-passes but he was there & feeling pretty good. Alta Mae Meebarger Todd had bi-pass surgery some time ago & then had a ^{high} sugar attack & had been in the hospital recently but was able to come.

Olive's sister Helen isn't very well but her son is so good to bring her. We all went from here to Allerton in May for Melma Meehan's 80th birthday celebration. It was a nice fun occasion.

Fred, Rose & I went Thursday to Carydon, Indiana & met Helen Meyer,

Fred & Faith still gave me for their son as we all do but life has gone on.
John isn't very well but we move our lawn & keep busy. Faith
has lots of arthritis & walking isn't much fun. Paul has had both
knees operated on some time ago & walking in Cemeteries isn't had
any either. Carydon is quite a Journalist John now. Well keep up. Love
Dorcas

her sister, Hazel, Lawrence Miller & wife
& Lowell Miller. We had lunch at a
new Buffet there & then went to
all the Cemeteries & houses where all
our Dyers & Crandalls came from.
Someone thought it was strange that
we had such a good time visiting
Cemeteries but we did have a good time
together. The house grandfather Crandall
was born in is still standing on a
hill side. High foundation made of
stones. We like to keep in touch
with these folks. Their grandmother
was our great Aunt & your Great, great
Aunt Florence Dyer Miller. We loved
her as she was the one who came
& spent the winters with our grand-
mother Crandall.

Paul Rex's husband & John nor Faith
chose to go with us.

My family is O.K. Rose Ellen graduated
from College ^{in Marketing} but is taking one more
course she needed. Amber graduated from
H.S. & works at the newspaper & will go
to U. of Illinois study journalism this winter.
Johnathan is 10 - takes music lesson & golf lessons
plays ball but is no star player. Linda
will teach some Home Ec. in Robinson H.S. this fall.

7 Jul 1994

Dear John and Florence,

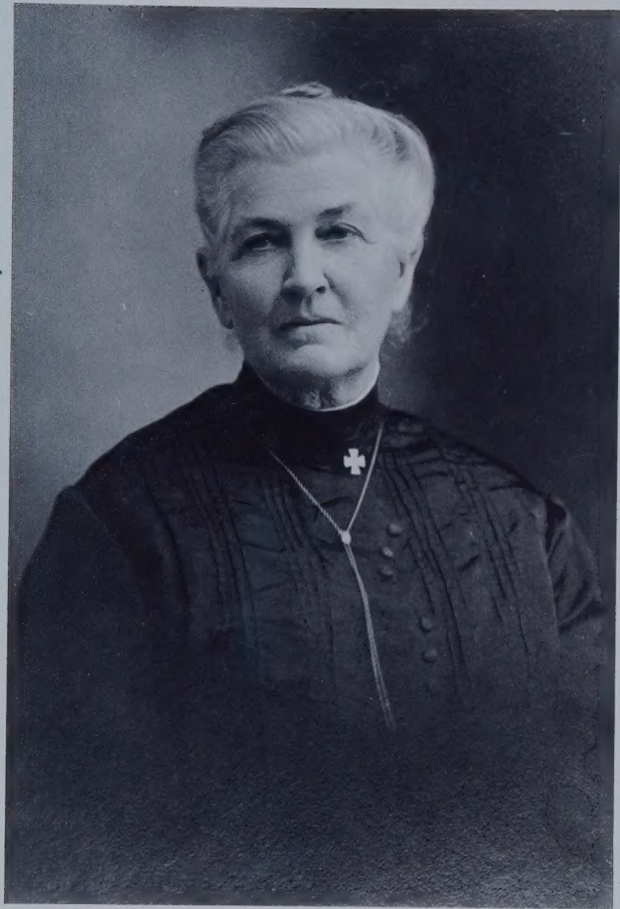

It was nice to hear from you again and thank you for a copy of the reunion. Sounds like we keep loosing family members every year for one reason or another.

This past year for Chuck hasn't been any fun. He had his spleen out in April and was back in the hospital a month ago and will probably have to go in as out patient to get blood platelet injections every couple weeks as it just keeps going down. They had hoped taking out the spleen would do it but didn't, just slowed it from going down so fast. Every three days he was going to hospital for blood before surgery. Now looks like every couple weeks he will still have to go. Usually takes 6 hours to do. I think I told you that in my last letter so won't repeat it all. His health is just going down hill all the time it seems.

I'll bet you really had a good time in Corydon going to all the cemeteries and seeing everyone (here & gone). I'm sure the ones that didn't go felt they didn't miss anything and probably enjoyed staying home as much as you all enjoyed going. The old saying "You had to be there" probably fits as it just wasn't as much of interest to them.

With Chuch in the shape he is, I can't go anywhere anymore. Seems like even when I go for few hours, sometimes you never know what you will come back to. Even at home I don't get much done as he always thinks he needs something done. But life goes on and if I can hold my health thru all this, you can't ask for more I guess.

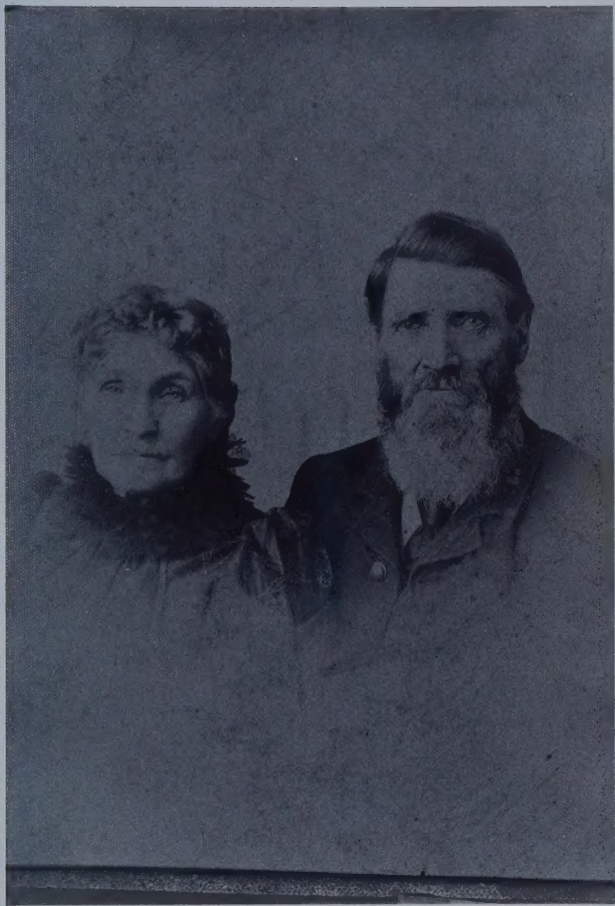

Mom and Harold are doing okay as things go. Both have arthritis and it doesn't bother Mom too much but Harold has hard time getting around but still goes every day. Mom is planning a trip in August to California, Washington & Oregon with another couple if they can talk Harold into going. He complains about riding very far so will have to wait and see. My brother is doing fine and so far all the kids are also. Larry still in PA, Sheri and Jason in MN and Gayle is here and kids in CA for the summer but it looks like Gayle is going there this fall and will probably stay there so won't be anyone here then.

Dear Rose, Interesting
Harriet Crandall
I was watching a program
on TV that had to do with a
town called Auburn, CA.

They mentioned a Harriet Crandall
that came from Reno, IL
in the 1850's. They said she
was the first civilized woman
that came out here to meet
her husband who was already
here. She managed to raise
money and built a church. When
it burned down she raised more
money and built another one.
Whether said she was quite a lady.
It was an interesting story.

Christmas Ho Ho Ho 2007!

Another year passes by and it's time to send a holiday greeting – Hope everyone is well and happy! The year started out with me not being able to see out my right eye. I had a laser used on it January 10th and it didn't clear up until February.

Worked income tax season as usual and now will start 29th year in January 2008. Taxes take my time until June 1st and then I start thinking about the Army Reunion. The Reunion will be in Branson, Missouri for 2008.

We celebrated my sister Florence's 97th birthday with her family on January 30th and she seemed to know us and I enjoyed it, but we lost her on March 4th rather sudden and it leaves me the only one in our family, so I do miss her. In February, I had a lovely wedding to attend – Lisa & Brad Huddleston's daughter, Chelsey married Travis Schackmann.

On March 26th, Amber, my grand-niece, took me to our famous Mayo Clinic in Minnesota. It was well worth driving 600 miles for a good check-up but still can't get the bill settled. I got to visit with Carolyn Aitchison who I taught to be a teller at the Bensenville State Bank years ago and Amber had the chance to visit with her friend from college who lives up there.

I stayed home through the hot summer – one of the hottest & longest dry summers since 1932-1936. The Lawn took up lots of my summer, weeding.

I'm still at it trying to clear out old records and I even found some back to the 1940's before I was married. Believe it or not, found some I could put into my writings of my life story for my niece Linda to have (since I was away during her young life). I am now ready to start a section on Paul & my married life.

We have lost a great-grand nephew of Paul's in Iraq. It crushes us as it was his second tour of duty and a month prior had left behind a wife and 8 month old baby boy – it left many relatives shocked. At the funeral I did get a chance to see many of Paul's relatives for a few minutes.

Over please ⇨

My exciting time was when Jesse & Penny Huskey and Robert & Betty Robinson from Ohio stopped on their way home from the Army Reunion in September. I took them to Richard's Farm restaurant in the barn and to our famous Moonshine Country Store for its famous Moonburgers.

As you know, cousin Jackie works there and also takes me to the Army Reunions. This year the Reunion was in Saint Charles, Missouri. It was also nice to have niece, Linda, her hubby Greg and his mother Ellen to attend this year. Greg is a member and participant in the Lewis & Clark Expedition, and spoke about starting the journey in Saint Charles on the Missouri River on a Keel boat with the famous dog Seaman, and rejoining intermittently on the trail to the Pacific Ocean and back.

For my birthday on October 11th, Amber took me back to the Chicago area where Paul and I lived for 30yrs in Bensenville, IL. Enjoyed friends and seeing our small home we built there "with our own hands." So nice to see it kept up and new landscaping. We stopped in Streator and saw Doris Redfern on the way up.

I had a country school chum Doris Groves Long, Urbana, IL who comes every memorial time and also Mayme Gard, Brownsburg, IN.

Linda and I had lunch with cousin Betty Vaught and daughter Barbara in Vincennes, IN and also attended Betty's 90th birthday party in the fall. We also had lunch with Louise Knowles Routin in Vincennes, IN. Louise's father, Les, and Paul loved to work together on the Milwaukee Railroad in Bensenville. She has conquered cancer and looks so good. I enjoyed being with Lisa & Brad Huddleston as they took me to their church revival this summer. My grand nephew, twin Terry Hill's son Roger has a new baby boy born this year. Another grand nephew Johnathan Parrott is teaching in Decatur, IL near his sister Amber.

Will spend the holidays with Linda and family in Robinson.

Dear Gladys,

Reunion time again. Sending clipping. Not many of us any more. I took John & he got through the day very well. Rose & Paul were able to help. Rose had had two lumps removed from breast but not any cancer. Then she had cataract surgery & facing another, but she struggled to get through the day. Some of the folks forget it since it came so early.

Fred's alzheimer's is advancing "down hill" all the way. Faith has dementia but is almost without any judgment at all. Won't change clothes or let any one use her washing machine to do laundry for Fred. They both need cataract surgery but she won't consent. One of the granddaughters & husband trying to look after them. They are trying to get Fred in the nursing home & then get cataracts taken care of. We support their efforts as we don't want Fred to go blind & he's fast reaching that stage.

I'm still able to care for John although I get quite tired. I've lost weight & only weigh 115 lbs. but I'm struggling along and want to do so.

Olive's family all come + want to keep the reunion going. Helen Lazzell not well at all. Has fallen recently + couldn't come. There are only six of five Crandall grandchildren living. Gerald Crandall has had a stroke and is in nursing home. His sister Avis Taylor still living in Mo. and Rose Fred + I.

Dear Gladys - Enclosed are some material about John's death. He had been bed-ridden since Dec. 15. Became worse Jan. 31 - recovered some & on June 15th had all his vital signs going bad. He was unable to take any water or food for seven days and died, June 22 at 3:00am. I could not have kept him at home without the fine Home Nurses who came every day. He developed bed sore and a R. N. Nurse came every day to dress them. My family & friends were so helpful but it was time to give him up.

About 500 people came through the line for visitation & the Chapel was filled for the services and we fed 93 friends & family at the "Richards Farm" in Casey near the Cemetery we buried him. The funeral service was in Oblong.

I couldn't believe the people who came through the line, from 4 pm to 9:00 pm.

I'm planning to stay right here on the farm for the time & let the future take care of

(2)

itself. It's lonesome but I don't want him back. It wasn't living - just existing & my doctor supported me all through the years and never once said take him to the hospital.

I am enclosing some papers & material about him. Share them with your mother.

How are ~~you~~ getting along? You had many years of caring for Chuck, I know!

John was easy to care for & was never violent.

Fred & Faith have Alzheimers & are in a nursing home in Hillsboro, IL where one of Larry's girls live. They haven't disposed of their home or land yet but no doubt, will have to, to meet their bills.

Paul isn't very well, but Rose is doing very well.

Linda & family are all right. Two girls are married & Johnathan is 14 & fast growing up. Linda's father-in-law died recently of Cancer, 71 years old. It was difficult to let him go and

My husband George Paul Penrod retired Mar 1976
& we moved back to Casey, Illinois where I went
to High School. He had 27 yrs of retirement & was
good in health until Dec 2000. In hospital twice
but I was able to have him home & he died
Feb 21-2003 here in our home - I buried him
on what would have been his 92nd birthday
Feb 24-2003.

I have gone thru Depression & Stress since I
lost him -

Florence's grand daughter took me to Mayo's
Clinic, Rochester, MN. April 19 this year & that was
my 7th trip there since 1978 - Got some good
results but now I have to have a minor
operation on my Ears this next Tue 25th -
As I had been dizzy for $2\frac{1}{2}$ yrs - They cleared
it up at Mayo's for $2\frac{1}{2}$ mos & now it came
back on me -

Since I don't have children it's very lonely
life. You probably knew too.
